

Dear Families,

Welcome to our Fall 2026 Registration! Thank you for your consideration of Harmony in planning your 2026-2027 school year for your student(s). We are so excited for a great year. If you have any questions about Harmony or the registration process, please feel free to reach out to us at: [info@harmonyhomeschoolacademy.com](mailto:info@harmonyhomeschoolacademy.com) or 919-244-0281.

Just a few notes as you prepare:

1. Please see our **Course Schedule**, which identifies all of our semester offerings by day/period.
2. Please see **Course Descriptions** for additional information about each of our courses. Each section of each semester-long course is \$325/semester. Exceptions: Study Hall, Lunch and Clubs are \$60/semester. Organizational Skills Study Hall on Thursdays period 5 is \$150/semester. All ELA Foundations and Fundamentals Courses are \$375/section due to smaller class size.
3. If you are a new family to Harmony, please register your student/family within **our portal Our School Hangout**, for registration and payments. (If you have an existing account please skip to #5 below). Our goal is to make your experience more convenient and accessible. With the new system, you will have access to a centralized online platform that simplifies registration and allows for easy payments.

To get started and create an account on our new parent portal, please visit the following link: <https://harmony.ourschoolhangout.com/Account-Setup>

Please note that it is essential to create the primary account first. This account will serve as the primary account for making payments, signing your child(ren) up for classes, and is also the primary contact for email/app communications. Once the primary account is set up, you can then easily add your child(ren) and your spouse/emergency contact information by using the Add Family Members button. After adding your child(ren), your spouse, and any emergency contacts, press the finish button to complete the account creation process.

There is also an app available if you are interested. Families have found the app easier to use for registration over the website portal. You can download the app from the Apple App Store or Google Play Store. Simply search for the app name: "Our School Hangout App". The app and the website use the same username and password created during the online account setup process. We recommend turning on Autopay to assist with payment. If you have any questions or require assistance, please don't hesitate to reach out to us or directly to Our School Hangout for support.

4. If you register prior to 3/15, you will be placed in a pending queue. Your account will be authorized on 3/15 which will permit you to register at that time, when registration opens for new families. If you register after 3/15, your account will be automatically authorized.

5. Once entered into the system, you will see the Available for Sign Up section on the welcome page. Classes are sorted by the day of the week. Please note that two-day classes are listed under the first day (e.g. a Tuesday & Thursday class will be listed under Fall 2026 Tuesday classes). Once you enter into the courses, you can select All categories if you would like to see a complete listing of all the Fall 2026 classes.
6. If, at any point, you want to get back to the main menu on the website, it is easiest to click on the Welcome button on the top right menu and that will bring you back to the main page.
7. Payment: All registering students will pay a 10% non-refundable deposit at the time of registration. This payment must be paid to secure your spot in class. 50% of the remaining balance will be due on August 1, 2026, and the remaining 50% will be due on October 1, 2026. If you prefer to make alternative arrangements or pay in full, please reach out to [info@harmonyhomeschoolacademy.com](mailto:info@harmonyhomeschoolacademy.com) for assistance. We accept checks or credit cards.
8. There is a 15 minute cart time limit autoset within the portal. We recommend reviewing the Course schedule and descriptions prior to registration. We also recommend going in and registering each one of your children individually in order to not exceed the time limit.
9. We are offering two lunch periods each day. Please select one per day.
10. Classes are listed with recommended ages. If your student is outside the recommended range, but you would still like to consider the course for your student, please feel free to reach out to us directly and we can offer assistance.
11. If the class is full, your student will be added to the waitlist. We will be in touch when a spot opens in the class.
12. Most of all, if any of the registration process is causing any difficulty for you, please feel free to email us at [info@harmonyhomeschoolacademy.com](mailto:info@harmonyhomeschoolacademy.com) for assistance. THANK YOU!
